Vanessa Kratohvil

(314) 337-3327 / vanessakratohvil@gmail.com
 github.com/piupi   linkedin.com/in/vanessakratohvil

Aspiring developer experienced with JavaScript, HTML, and CSS. Seeking to turn my passion for UI/UX into a QA Tester or Front-End Developer role.

TECHNICAL SKILLS

JavaScript	React	Visual Studio	Adobe XD
Agile Certified	Bootstrap	Firebase	State Management
HTML5	Ruby	SQL	QA Testing
CSS	WebRTC API	Version Control (Git)	JSON
UI/UX	Mockups/Wireframing	Chrome DevTools	Trello

PROJECT

Food Journal (foodjournal.netlify.app)
- Created an alternative to typical calorie-tracking apps that allows users to log the meals they eat using pictures.
- Featured on CareerKarma as the #3 project of March 2020.
- Utilized JavaScript, HTML5, CSS, the WebRTC API, and Firebase.
- Created mobile responsive web app that currently works with Android phones and will be compatible with iPhones in the near future.
